

AFFIRMATION OF OVER THE COUNTER (OTC) COVID-19 ANTIGEN TEST RESULTS

CDC strongly encourages everyone who uses a self-test to report any positive results to their healthcare provider. Healthcare providers can ensure that those who have tested positive for COVID-19 receive the most appropriate medical care, including specific treatments if necessary.

The guidelines and self-test information can be reviewed in more detail at www.CDC.gov

When choosing to report your COVID-19 self-test results, your primary healthcare provider or your local health department may need the following information.

- NAME (Individual with POSITIVE test result):

- Date of Birth:

- Parent/Guardian Name (if under 18):

- Phone number of Patient, Parent or Guardian:

- Home address (Street, City, State, Zip Code):

Testing Information:

- COVID-19 At-Home Rapid Antigen Self-Test Brand Name:

- Affirmation TWO OTC COVID-19 antigen tests were taken at least 36 hours (1.5 days) apart.
